PROFESSIONAL SUMMARY Aspiring AI Engineer and Fullstack Developer specializing in building intelligent systems and modern web applications. Proficient in Python, JavaScript, and FastAPI, with a strong focus on bridging robust backend architecture and machine learning integration to drive operational efficiency and solve complex problems.

TECHNICAL SKILLS

- **Languages & Frameworks:** Python, JavaScript, FastAPI, HTML/CSS
- **AI & Data:** Machine Learning, Deep Learning, Data Analysis
- **Tools & Technologies:** Git, GitHub, Version Control, Recommender Systems

EXPERIENCE Business Analyst Intern | [Nama Perusahaan Magang] | [Bulan, Tahun] – [Bulan, Tahun]

- Bridged the gap between business operations and technical solutions by analyzing operational workflows.
- Collaborated with cross-functional teams to identify technology-driven efficiencies.
- Prepared the groundwork and planning for strategic digitalization initiatives to improve data-driven decision-making.

Dicoding Academy Trainee | Dicoding Indonesia | [Bulan, Tahun] – [Bulan, Tahun]

- Mastered modern web development fundamentals and machine learning basics through intensive, project-based learning.
- Engineered and deployed practical applications, writing clean, maintainable code within the Python and JavaScript ecosystems.

(Catatan: Anda juga bisa memasukkan partisipasi di "Intensive AI Engineering Scholarship Program" pada bagian ini jika sudah berjalan).

PROJECTS AMATI: Adaptive Learning Recommender System | FastAPI, Python, Machine Learning | [Bulan, Tahun] – [Bulan, Tahun]

- Architected an adaptive learning platform and virtual tutor tailored specifically for the junior high school mathematics curriculum (Grade 7).
- Engineered the backend infrastructure utilizing FastAPI to ensure low-latency performance.
- Integrated machine learning algorithms to deliver personalized, dynamic learning paths based on user performance.

AWARDS & ACHIEVEMENTS

- **2nd Place Winner, Digital Business & Fintech** – GEMASI AMIKOM ([Tahun])
- **3rd Place Winner, Programming Category** – GEMASI AMIKOM ([Tahun])
